STIGMA⁴

We're made to feel WE did something wrong.

You feel like 2nd class.

I'm never sure how much it taints people's view of me.

SUPPORT⁴ - FOR CHILDREN

My granddaughter tells her mentor things she won't tell me. She doesn't want to burden me.

Let kids draw. He told me what every picture was. Wow, he had a lot on his mind!

He needs counseling not suspensions!

- FOR FAMILIES

“They process you in, not out. We need programs to transition back or you go back to what you know best. ”
