and Families**

NYS Birth through Five Project

Promoting equity and access to quality early childhood  
programs for all young children and families in NYS

## 2019-2020 Projects

Supported by Grant Number 90TP001901-01 from the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Child Care. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the Office of Child Care, the Administration for Children and Families or the U.S. Department of Health and Human Services.

**Table of Contents**

**Activity One: Conduct a Comprehensive Birth through Five Needs Assessment**

- NYS Comprehensive Birth through Five Needs Assessment . . . . . p2
- Early Childhood Integrated Data System Feasibility Report . . . . . p3

**Activity Two: Update the NYS Birth through Five Strategic Plan**

- NYS ECAC Birth through Five Strategic Planning . . . . . p4

**Activity Three: Increasing Parent Choice and Knowledge**

- NYS ECAC Parent Engagement . . . . . p5
- Supporting Transition Practices from Early Intervention to Preschool Special Education to Kindergarten . . . . . p6
- Online Parent Portal . . . . . p7
- Statewide Media Campaign-Talking is Teaching . . . . . p8
- Strengthening Kindergarten Transition . . . . . p9
- Home Visiting Coordination Initiative . . . . . p10
- New York State Early Childhood Tax Credit . . . . . p11
- Parent Leadership Conference . . . . . p12
- Life Skills Workers Pilot at Homeless Shelter . . . . . p13

**Activity Four: Sharing Best Practices**

- Training Opportunities on Diagnostic Classification of Mental Health and Developmental Disorders of Infancy and Early Childhood (DC: 0-5) . . . . . p14
- Early Childhood Leadership Mentoring . . . . . p15
- New York State Education Department (NYSED) P3 Summer Institute 2019 . . . . . p16
- Developing Career Pathways for Early Childhood Educators . . . . . p17
- Strengthening Protective Factors Training of Trainers (TOT) . . . . . p18
- Professional Development Capacity Expansion . . . . . p19
- Pyramid Model Parents Interacting with Infants (PIWI) Training . . . . . p20
- Pyramid Model Community-Wide Leadership Teams & Pyramid Model Hubs . . . . . p21
- Pyramid Model Positive Solutions for Families Parent Workshops . . . . . p22
- Pyramid Model Implementation Data System (PIDS) . . . . . p23
- Early Childhood New York (ECNY) Shared Services . . . . . p24
- Early Childhood Best Practices Sharing and Distribution of Resources . . . . . p25
- Blending and Braiding Guide . . . . . p26
- Aspire Registry Expansion . . . . . p27
- Addressing Child Care Deserts . . . . . p28
- New York State Training and Technical Assistance Alignment . . . . . p29

**Activity Five: Improving Quality**

- QUALITYstarsNY Expansion . . . . . p30

Activity One – Conduct a Comprehensive Birth - Five Needs Assessment	PROJECT STATUS: COMPLETE 12/2019
--	----------------------------------

**PROJECT ACCOMPLISHMENTS 12/2019:**

The Needs Assessment was completed in October 2019 and conducted over the course of 9 months in partnership with the State University of New York at Albany, Center for Human Services Research (CHSR). Methodology included an environmental scan of over 75 NYS and national reports, briefings, needs assessments, and published statistics; an analysis of regional trends to identify vulnerable populations across NYS, an analysis of over 2,200 electronic survey responses from 818 administrators, 731 direct care staff, and 667 parents; an analysis of 32 focus groups convened with 77 administrators, 78 direct care and instructional staff, and 83 parents in nine regional locations in NYS; and key Informant Interviews with 17 key NYS agency staff.

A link to the Executive Summary of the NA can be found [here](#). The findings are grouped according to the following categories: System Building; Data and Workforce Development; Access to Quality Programs; and Vulnerable Populations. Overall, the findings underscore the overarching need for better coordination and alignment of ECCE programs and services. The full report is [here](#).

The NYSB5 Needs Assessment will be updated regularly and used to inform updates to the state’s birth through five strategic plan (another NYSB5 grant activity) and other stakeholders.

**Activity Background/Description:**

The NYSB5 grant provided an opportunity to conduct a comprehensive statewide needs assessment to examine the availability and quality of existing early care and education programs in NYS, and conduct a gap analyses to identify and prioritize areas of discrepancy between resource availability and demand. This work was carried out in partnership with CHSR at the State University of New York, Albany.

For the purposes of this project, vulnerable populations are identified as: members of minority/ethnic groups, living in low income households, homeless as defined by the McKinney Vento, receiving early intervention or special education services under Part B or C of the Individuals with Disabilities Education Act, living in rural communities, living in multi-language households, and/or immigrants.

**Implementation Timeline:** April 2019 – October 2019

Activity One – Conduct a Comprehensive Birth through Five Needs Assessment

**Early Childhood Integrated Data System Feasibility Study and Report**

PROJECT STATUS: COMPLETE 12/2019

**PROJECT ACCOMPLISHMENTS 12/2019:**

A report on recommendations for the design and use of an integrated data system was completed in February 2020.

**Activity Background/Description:**

The NYSB5 grant provided an opportunity to conduct a data feasibility study to explore the state’s capacity to build a comprehensive early childhood integrated data system. For this activity, the NYSB5 project worked with the Center for Human Services Research at the State University of New York to conduct a review of current early childhood data system configurations and data sharing, meet with key stakeholders and develop recommendations for the design, creation, use, and maintenance of an integrated system.

**Implementation Timeline:** April 2019 – February 2020

**Cross-sector Partners:**

NYS Council on Children and Families, Center for Human Services Research at SUNY, NYS Office of Children and Family Services, NYS Education Department Office of Early Learning, Governor’s Early Childhood Advisory Council.

<b>Activity Two – Update the NYS Birth through Five Strategic Plan</b>	PROJECT STATUS: COMPLETE 12/2019
<p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b></p> <p>The NYSB5 Strategic Plan was completed in December 2019 over a 7-month period in response to the New York State B5 Needs Assessment conducted in 2019 by the Center for Human Services Research at the State University of New York. Based on the information gathered and analyzed in the statewide NYSB5 Needs Assessment, more than 60 individuals, including a full range of early childhood stakeholders represented on the ECAC, other content experts, and, most importantly, parents and organizations representing vulnerable and underserved populations, engaged in a comprehensive and robust strategic planning process. The Strategic Plan includes 10 goals that will guide the work of the ECAC in strengthening the early care and education system in NYS. The Plan will be available for download once approved by the federal grantor.</p> <p>The NYSB5 Strategic Plan will be updated regularly to align with updates to the NYSB5 Needs Assessment. As part of the strategic planning process, the ECAC Steering Committee reorganized its structure to become more cross-sector and less siloed in its workgroups, creating project-based work teams for each goal or objective.</p>	
<p><b>Activity Background/Description:</b></p> <p>The NYSB5 staff and partners worked with the NYS Early Childhood Advisory Council (ECAC), New York’s State Advisory Council (SAC), to amend the ECAC cross-sector strategic plan using data from the NYSB5 needs assessment. The ECAC members include representatives from NYS child-serving state agencies, community partners, unions, advocacy organizations, think tanks, philanthropic organizations, businesses, Child Care Resource and Referral agencies, early care and learning councils, P-12 school districts, Head Start and Migrant and Seasonal Head Start, child care, Special Education, Early Intervention, health and mental health. In addition, ECAC members and partners, including parents, participated in ECAC strategic planning.</p>	
<p><b>Implementation Timeline:</b> August 2019 – December 2019</p>	
<p><b>Additional Details:</b> ECAC website - <a href="http://www.NYSECAC.org">www.NYSECAC.org</a></p>	
<p><b>Cross-sector Partners:</b></p> <p>The NYS ECAC members and focus area work team members, the Governor’s Child Care Availability Task Force, the NYS First 1000 Days on Medicaid initiative, Head Start Collaboration Project, and the Governor’s Early Intervention Coordinating Council.</p>

<b>Activity Three – Increasing Parent Choice and Knowledge</b>	
<b>NYS ECAC Parent Engagement</b>	PROJECT STATUS: COMPLETE 12/2019
<b>PROJECT ACCOMPLISHMENTS 2019:</b>	
<p>Over the course of the last year, the Early Childhood Advisory Council had one parent who consistently attended all ECAC meetings. The most success came at the end of the year during the December ECAC meeting where 4 parents were in attendance. All parents who attend ECAC meetings are provided stipends for travel, lodging and meals. Parent engagement continues to be a priority for the ECAC and all members continue to actively recruit interested parents.</p>	
<b>Activity Background/Description:</b>	
<p>The NYS Early Childhood Advisory Council (ECAC) invited parents to attend the quarterly ECAC meetings held in Albany, NY and to actively engage in strategic planning.</p>	
<b>Implementation Timeline:</b> Quarterly meetings in March, June, September and December 2019.	
<b>Additional Details:</b>	
ECAC website: <a href="http://www.NYSECAC.org">www.NYSECAC.org</a>	
<b>Cross-sector Partners:</b>	
NYS ECAC members, comprised of all child-serving state agencies and other partners.

<b>Activity Three – Increasing Parent Choice and Knowledge</b>	
<b>Supporting Transition Practices from Early Intervention to Preschool Special Education into Kindergarten</b>	PROJECT STATUS: COMPLETE 12/2019
<b>PROJECT ACCOMPLISHMENTS 12/2019:</b>	
<p>Over the course of the grant year, the NYSB5 team held several meetings with the NYS Department of Health and the NYS Education Department to discuss and improve transition practices. Collaboration around this very important issue continues to be strengthened, as the NYSB5 team works with the First 1000 Days on Medicaid Kindergarten Readiness Assessment Work Group and implements kindergarten transition summits.</p>	
<b>Activity Background/Description:</b>	
<p>The NYSB5 staff will collaborate with the NYS Education Department, Office of Special Education and Office of Early Learning and the NYS Department of Health, Division of Family Health, Bureau of Early Intervention to promote smooth transitions for children from Early Intervention services to Preschool Special Education and to Kindergarten.</p> <p>In addition, the NYSB5 staff will work with partner agencies to identify supports for families who don't qualify for Early Intervention Services and Preschool Special Education Services to ensure they receive the resources needed to promote the healthy development of their children.</p>	
<b>Additional Details:</b>

<b>Activity Three – Increasing Parent Choice and Knowledge</b>	
<b>Online Parent Portal</b>	<b>PROJECT STATUS: COMPLETE 12/2019</b>
<b>PROJECT ACCOMPLISHMENTS 12/2019:</b>	
<p>The Parent Portal was launched in August 2019 at <a href="http://www.nysparenting.org">www.nysparenting.org</a> and includes links to each of the websites listed below as well as to the NYS Office for Children and Family Services (OCFS) Child Care Options video. Included on the portal are links to resources from partners including OCFS, the NYS Office of Mental Health, the NYS Education Department, the NYS Department of Health, the NYS Office for Temporary and Disability Assistance, and the NYS Parenting Education Partnership. The portal will also be able to be reached by using mobile apps on the Google and Apple stores. In addition, the portal is being widely advertised as part of the statewide Talking Is Teaching media campaign. When the portal was in development, the NYSB5 team held webinars with state partners including parent advocacy and support organizations to ensure widespread input and a collaborative development process.</p>	
<b>Activity Background/Description:</b>	
<p>To increase parent choice and knowledge, current CCF websites designed to assist parents were integrated into a Parent Portal. Each of the 4 main parent websites included were created in consultation with NYSB5 state partners and members of the Council.</p> <ol style="list-style-type: none"> <li><b>Every Student Present</b>, <a href="https://www.everystudentpresent.org/">https://www.everystudentpresent.org/</a>, a chronic absence awareness website with a parent focus and a school admin entry also.</li> <li><b>NYS Multiple Systems Navigator</b>, <a href="https://www.msnavigator.org/">https://www.msnavigator.org/</a>, Built for youth, parents, family members and caregivers that rely on supports from multiple child and family serving systems</li> <li><b>NYS Child Care and After School Programs Locator</b>, <a href="https://nyschildcare.org">https://nyschildcare.org</a>, provides information on child care and after school programs in one easy-to-access location. This website is required by law.</li> <li><b>The NYS Parent Guide</b>, <a href="https://www.nysparentguide.org">https://www.nysparentguide.org</a>. A guide for the first five years of the parenting journey. Designed for the mother or father (through birth, adoption, or foster care), a grandparent, partner, family friend, aunt or uncle with parenting responsibilities, to reinforce that what we say and do in the role as a parent matters. The messages from each of the state agencies (e.g., sleeping on infant’s back) and experts have been aligned through committee work for this online parent guide.</li> </ol> <p>The NYS OCFS video Child Care Options, <a href="http://wpc.7e0e.edgecastcdn.net/007E0E/DLP/CHILD%20CARE%20OPTIONS/OVERVIEW06.mp4">http://wpc.7e0e.edgecastcdn.net/007E0E/DLP/CHILD%20CARE%20OPTIONS/OVERVIEW06.mp4</a> will also be showcased prominently.</p> <p>Portal also will link to state agency and statewide organizational partner websites or webpages for parents.</p>	
<b>Implementation Timeline:</b> June 2019 – August 2019	
<b>Additional Details:</b>	
<p>All NYSB5 partners were invited to contribute to the development of the portal. All of the state agency and statewide organizational partner websites or webpages for parents are linked. The URL – NYSParenting.org – has been added to all of our NYSB5 publications and parent fliers &amp; outreach materials.</p>	
<b>Cross-sector Partners:</b>	
<p>NYS Council on Children and Families, NYS Department of Health, NYS Office of Mental Health, NYS Office of Children and Family Services, NYS Education Department Office of Early Learning and Office of Special Education, NYS Office of Temporary and Disability Assistance, Governor’s Early Childhood Advisory Council.</p>

Activity Three – Increasing Parent Choice and Knowledge	
Statewide Media Campaign – Talking is Teaching	PROJECT STATUS: IMPLEMENTNG
<p><b>NO COST EXTENSION UPDATE 06/2019:</b>                      Print and outreach materials related to the <b>NYS Talking is Teaching Media Campaign and parent engagement</b> – we were unable to complete media buys in March due to COVID-19 – it’s too late for electronic media buys at this point. Instead of spending on electronic media buys, we’ll use the funds for hard print media items based on the Talking is Teaching materials that include the NYS Parent Portal website to ensure that they still are able to reach the field.</p>	
<p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b>                      The NYS Council on Children and Families (CCF) launched a \$2.4 million statewide Talking is Teaching Media campaign. The campaign encourages parents to talk, read and sing with their child every day to support early brain development. The campaign started the week of Thanksgiving 2019 and runs through mid-February 2020. Posters are in medical offices, laundromats, beauty salons and barber shops. In addition, banners are placed in malls across NYS for the holiday season. In NYS a subway car will be branded with Talking Is Teaching posters through January 2020. The campaign was launched in collaboration with NYSB5 partners at the NYS Department of Health, OpAD and OCFS which translated posters in 6 languages (Spanish, Russian, Chinese, Haitian-Creole, Korean, Bangladeshi).</p>	
<p><b>Activity Background/Description:</b>                      Talking Is Teaching content will be used for the parent choice and knowledge activity for the NYSB5 grant. Talking Is Teaching is an existing national public awareness and action campaign that promotes early brain and language development by encouraging parents and caregivers to talk, read, and sing through everyday actions with their children. The goal of Talking Is Teaching is to empower parents and caregivers is to actively contribute to their babies' learning in fun and easy ways.</p> <p>The NYSB5 CCF team and state partners created this media campaign to reach vulnerable and underserved families in New York. The Talking is Teaching content was translated into Spanish, Bengali, Chinese, Haitian Creole, Korean, and Russian. The campaign markets the NYSB5 parent portal website URL to parents to learn more about the early care and learning options in their communities. Please see NY Parent Portal summary for more details.</p>	
<p><b>Implementation Timeline:</b> August 2019 – December 2020</p>	
<p><b>Additional Details:</b></p> <ul style="list-style-type: none"> <li>Information about Talking is Teaching can be found here: <a href="http://talkingisteaching.org/">http://talkingisteaching.org/</a></li> <li>Too Small to Fail information can be found here: <a href="http://toosmall.org/">http://toosmall.org/</a></li> </ul>	
<p><b>Cross-sector Partners:</b>                      NYS Council on Children and Families, NYS Department of Health, NYS Office of Mental Health, Too Small to Fail, NYS Education Department, Public Libraries, Local Talking is Teaching Coalitions</p>	
<p><b>Contact(s) for Additional Information:</b>                      Cate Bohn – <a href="mailto:cate.bohn@ccf.ny.gov">cate.bohn@ccf.ny.gov</a>                      Cearra Norwood – <a href="mailto:cearra.norwood@ccf.ny.gov">cearra.norwood@ccf.ny.gov</a></p>	

**Activity Three – Increasing Parent Choice and Knowledge**

**Strengthening Kindergarten Transition**

PROJECT STATUS: COMPLETE 12/2019

**PROJECT ACCOMPLISHMENTS 12/2019:**

Nine agencies were selected to conduct 11 local kindergarten transition summits and provided seed money to local transition teams to strengthen transition practices locally. The summits were attended by over 500 participants that included PreK administrators and teachers, education directors, child care resource and referral agencies, funders, administrators, 4410 teachers, family advocates, parents, Head Start and more. All of the attendees completed a pre and post summit survey that helped to understand the barriers to implementing transition practices, the practices that are most challenging and what attendees will do next to strengthen transitions in their programs/school.

**Activity Background/Description:**

The NYSB5 team hosted a statewide Kindergarten Transition Summit Orientation (on March 12, 2019) for 88 participants to provide a process for convening regional summits. Participants were invited to apply for funding to host a regional transition summit that would bring together parents, school districts administrators, prekindergarten and kindergarten teachers, Child Care Resource and Referral Agencies, special education providers, Head Start, Community Based Organizations, family child care providers, child care centers, parent organizations, health care providers and local coalitions. The goal of these summits was to encourage the establishment of local transition teams, processes, policies and activities that will support the needs of families with young children who are moving from one system of services to another.

**Implementation Timeline:** March 2019 – December 2019

**Activity Three – Increasing Parent Choice and Knowledge**

**Home Visiting Coordination Initiative**

PROJECT STATUS: COMPLETE 06/2020

**PROJECT ACCOMPLISHMENTS 06/2020:** Prevent Child Abuse NY completed a Home Visiting Coordination Report on the initial year activities. The project is complete, however, the release of the Report, Regional Development Plans and Data Fact Sheets have been delayed due to COVID-19.

**PROJECT ACCOMPLISHMENTS 12/2019:**

Prevent Child Abuse NY with support from the NYSB5 project held 25 home visiting summits in 10 regions of NYS. The summits were facilitated by community-based back bone organizations who also supported planning, recruitment, organizational support and survey/data collection. The backbone organizations included Brightside Up (Capital District), The Children’s Agenda (Finger Lakes), Mothers & Babies (Southern Tier), the Early Childhood Alliance (Central NY), Adirondack Birth to Three Alliance (North Country), Cornell Cooperative Extension (Mohawk Valley), Westchester Children’s Association (Mid-Hudson), Help Me Grow (Western NY), Public Health Solutions (NYC), and Choice for All (Long Island).

**Activity Background/Description:**

Building off the work of the NYS Home Visiting Coordination Initiative, a series of 10 regional summits will be held to bring together research-based home visiting programs/providers funded by the NYS Department of Health, the NYS Office for Children and Families as well as county funded and privately funded programs. These cross-program summits will provide an opportunity to systematize home visiting at the state and local levels, assess each communities’ continuum of services available for families with children birth through five, develop coordinated understanding of service eligibility and identify service gaps, discuss shared trainings, referrals and community partnerships.

The regional summits will help inform the work of the Maternal Infant and Early Childhood Home Visiting Program as well as the First 1000 Days on Medicaid initiative.

**Implementation Timeline:** June 2019 – March 2020

**Additional Details:**

The NYS Home Visiting Coordination Initiative is led by Prevent Child Abuse New York. To learn more: <https://www.nyshomevisitcoord.com/>

First 1000 Days on Medicaid Home Visiting Initiative led by the NYS Department of Health: [https://www.health.ny.gov/health\\_care/medicaid/redesign/first\\_1000.htm](https://www.health.ny.gov/health_care/medicaid/redesign/first_1000.htm)

**Cross-sector Partners:**

The NYS Council on Children and Families, Prevent Child Abuse NY, Schuyler Center for Advocacy and Analysis, the NYS Department of Health Division of Family Health, the NYS Department of Health First 1000 Days on Medicaid Initiative, the NYS Office of Children and Family Services.

**Activity Three – Increasing Parent Choice and Knowledge**

**New York State Early Childhood Tax Credits**

PROJECT STATUS: COMPLETE 06/2020

**NO COST EXTENSION UPDATE 06/2020:** During the no cost extension period, the Tax Credit resources were printed, however, distribution is delayed due to COVID-19.

**PROJECT ACCOMPLISHMENTS 12/2019:**

The NYSB5 staff worked with the Early Childhood Advisory Council (ECAC) Tax Credit Sub-Committee, the Committee for Economic Development of the Conference Board (CED) and the NYS Department of Taxation and Finance to update the Child and Dependent Tax Credit Infographics and the NYS Employer Provided Tax Credit Infographics. These new infographics can be found below:

[NYS Child Care Tax Credit Infographic](#)

[NYS Employee Provided Child Care Tax Credit Infographic](#)

**Activity Background/Description:**

The Center for Human Services Research at the State University at New York at Albany during the needs assessment focus groups included questions to learn about the needs of families: (1) to help develop a strategy for informing parents and businesses about tax credits that are currently available); and (2) to seek information about several potential tax credits (including the Child Care Director and Staff Tax Credit; Child Care Provider Tax Credit; and Quality Enhanced Child and Dependent Tax Credit).

The NYSB5 team worked with:

- Early Childhood Advisory Council (ECAC) Tax Credit Sub-Committee to increase parent knowledge about child care options. Specifically, this activity will entail developing two tax credit flyers: NYS Child and Dependent Care Tax Credit and the NYS Employer-Provided Child Care Credit.
- Committee for Economic Development of The Conference Board (CED) provided Technical Assistance for developing two tax credit flyers that could be used to promote the current NYS tax credits that support child care.
- NYS Department of Tax and Finance, business community, parent organizations and child care providers, ECAC Finance Work Group members and ECAC members to develop infographics and gain feedback for promotional strategies and distribution plan for providing child care tax credit information.

The tax credits that are currently available in New York to support early child care and families:

- 1) NYS Child and Dependent Tax Care Credit –available to families with incomes between \$50,000 and \$150,000. The qualified expense limit for taxpayers with more than two qualifying persons ranges from \$7,500 to \$9,000, and is fully refundable for full-year residents. It may be claimed regardless of whether the federal child and dependent care credit is claimed.
- 2) NYS Employer-Provided Tax Credit - for qualifying expenditures in providing child care alternatives for employees. Qualified child care expenditures include operating costs of a qualified child care facility of the taxpayer or under contract with another taxpayer, as well as amounts paid or incurred to acquire, construct, rehabilitate, or expand property used as part of a care facility of the taxpayer.

**Implementation Timeline:** August 2019 – March 2020

**Additional Details:**

<b>Activity Three – Increasing Parent Choice and Knowledge</b>	
<b>Parent Leadership Conference</b>	PROJECT STATUS: COMPLETE 12/2019
<p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b>                      The NYSB5 team in partnership with the Family Leadership Network at Choice for All held the first annual NYSB5 Parent Leadership Conference in Rochester, NY on 12/13/2019. The state advisory conference planning team included family partners, the NYS Council on Children and Families, Families Together in NYS, The NYS Office of Temporary and Disability Assistance, NYS PTA, Family Leadership Network, Prevent Child Abuse NY, Parent to Parent of NYS, NYSED Office of Early Learning, ProAction of Steuben and Yates, Inc.</p> <p>The conference was attended by over 100 parents, 19 exhibitors, 21 workshops, a parent panel and had child care available for 30 children so their parents could attend the conference workshops. Conference registration and lodging for parents was free. Content included transition practices, high quality child care, entitlements and services available to families, home visiting, developmental health, social emotional learning and fatherhood engagement.</p>	
<p><b>Activity Background/Description:</b>                      A statewide Parent Leadership Conference was conducted to further parents’ knowledge about the NYS early childhood system and to help the system better understand the needs of parents. The NYS Council on Children and Families will draw from the expertise of existing parent advocacy groups, including Families Together in NYS, Parent to Parent of NYS, the Head Start Policy Council of NYC, as well as families in attendance at the Early Childhood Advisory Council meetings and the NYS Parenting Education Partnership. The conference provided an opportunity to share information about transition practices, securing high quality child care including financial support and tax breaks, home visiting throughout the state, navigating the early intervention system, promoting developmental health and understanding and strengthening the early care and education system in New York.</p>	
<p><b>Implementation Timeline:</b> August 2019 – December 2019</p>	
<p><b>Additional Details:</b>                       Information about the conference can be found at: <a href="http://www.nysb5conference.com">www.nysb5conference.com</a></p>	
<p><b>Cross-sector Partners:</b>                      NYS Council on Children and Families, NYS Education Department, NYS Office of Mental Health, NYS Office of Children and Family Services, NYS Parenting Education Partnership, Parent to Parent of NYS, Families Together of NYS, and other parent organizations.</p>	
<p><b>Contact for Additional information:</b>                      Ciarra Norwood, CCF - <a href="mailto:Ciarra.norwood@ccf.ny.gov">Ciarra.norwood@ccf.ny.gov</a></p>	

<b>Activity Three – Increasing Parent Choice and Knowledge:</b>	
<b>Life Skills Workers’ Pilot at Homeless Shelters</b>	PROJECT STATUS: COMPLETE 03/2020
<b>NO COST EXTENSION UPDATE 03/2020:</b>	
<p>The Life Skills pilot continued until 3/31/2020. The NYSB5 team is seeking to use the lessons learned to better understand and respond to the needs of families who are using shelter services. WestHab shelter has connected with the NYS Technical and Education Assistance Center for Homeless Students and the McKinney Vento Coordinator at the NYS Education Department. The shelter was able to use remaining funds to train staff on the Sanctuary Model, evidence based trauma informed training. In addition, the shelter was able to purchase basic needs to support families transitioning into shelters and into permanent housing.</p>	
<b>PROJECT ACCOMPLISHMENTS 12/2019:</b>	
<p>The NYSB5 project worked in partnership with the NYS Office of Temporary and Disability Assistance to identify the <a href="#">WestHab</a> shelter in Westchester County to hold the Life Skills Worker pilot. In October 2019, a staff member was hired.</p>	
<b>Activity Background/Description:</b>	
<p>This activity will focus on providing families who are especially vulnerable because of living in temporary housing and who disproportionately represent underserved racial groups with strength-based support beyond case management via Life Skills Workers (LSW). Shelter case management staff will identify families with children 0-5 who could benefit from the additional support. The LSWs will focus on teaching and/or enhancing daily living skills that will better prepare vulnerable families for independent living arrangements/permanent housing and connect families to early care and education programs.</p>	
Implementation Timeline:	
October 2019 – March 2020

**Activity Four – Sharing Best Practices**

**Training Opportunities on Diagnostic Classification of Mental Health & Developmental Disorders of Infancy and Early Childhood (DC: 0-5)**

PROJECT STATUS: COMPLETE 03/2020

**NO COST EXTENSION UPDATE 03/2020:** The NYS Office of Mental Health in partnership with the NY Center for Child Development completed 26 two-day regional trainings and over 1000 professionals were trained on the DC:0-5.

**PROJECT ACCOMPLISHMENTS 12/2019:**

The NYSB5 project worked in partnership with the NYS Office of Mental Health and the NY Center for Child Development who held over 21 DC:0-5 trainings across the state (Albany, Buffalo, Long Island, Ithaca, NYC, Rochester, Plattsburgh, Poughkeepsie, and Syracuse). These two-day trainings were attended by social workers, mental health counselors, early intervention providers, physicians, infant/toddler specialists and more. Over 816 professionals have been trained.

**Activity Background/Description:**

The NYS Office of Mental Health will spearhead the provision of regional trainings on the DC:0-5 for mental health professionals serving young children and families in NYS.

This comprehensive training is specifically designed for participants who are directly involved in the developmental and mental health evaluation and diagnosis of children birth to five years of age. This training provides history and background around the need for and development of a specialized diagnostic classification system for infancy and early childhood, as well as approaches to diagnosis from an Infant Mental Health perspective which is developmentally informed, relationship based, and contextual and culturally competent. Participants will learn about the multi-axial approach to diagnosis as well as understanding the contents of each axis including Axis I Clinical Disorders, Axis II Relational Context, Axis III Physical Health Conditions and Considerations, Axis IV Psychosocial Stressors, and Axis V Developmental Competence. Participants will have the opportunity to participate in one Community of Practice call following the training for support on use of DC:0-5™ in their practice.

The intent is to strengthen the 0-5 workforce by providing this foundational training. According to a recent survey conducted by the NYS Association for Infant Mental Health, there is a great need to strengthen the knowledge, competencies and skills among the mental health workforce serving young children and families.

**Implementation Timeline:** July 2019 – March 2020

**Additional Details:**

Diagnostic Classification of Mental Health and Developmental Disorders of Infancy and Early Childhood: DC: 0-5

<b>Activity Four – Sharing Best Practices</b>	
<b>Early Childhood Leadership Mentoring</b>	PROJECT STATUS: COMPLETE 03/2020
<b>NO COST EXTENSION UPDATE 03/2020:</b> Buffalo and Long Island are the pilot site locations for the Leadership Mentoring expansion.	
<b>Buffalo Leadership Initiative</b>	
<p>The Buffalo Leadership Initiative held its first Speaker Series event on January 16, 2020. The distinguished speaker was Ann Terrell, author of <i>Graceful Leadership</i> and NAEYC’s President Elect and the meeting had 75 participants. In February, two book groups based on region were hosted. Each cohort met on two occasions to further explore Ann Terrell’s book, <i>Graceful Leadership</i>. Ms. Terrell also joined the cohorts on the second meeting to share her own thoughts and add to the dialog. As of March 31, 2020, the Buffalo Leadership Initiative has 152 participants.</p>	
<b>Long Island Leadership Initiative</b>	
<p>Dr. Cristina Medellin continues to lead this project and partner with Nassau BOCES. Nassau BOCES has requested that the partnership is aligned to the Long Island Regional Technical Assistance Center, which includes important stakeholders for the Long Island region. We conducted a review of stakeholders and created a 17-member advisory council. The first advisory council meeting was held on February 27, 2020. Additionally, Cristina was invited to participate in a number of regional meetings. The Speaker Series with Ann Terrell was scheduled for March 26, 2020. However, due to the COVID-19 pandemic, the event had to be postponed. We are developing a strategic plan with our local partners for shifting the speaker series programming to an online virtual platform, given the current social distancing policies put in place for New York State. Three sessions for our initial Long Island book groups were scheduled to meet in March and April. One session was scheduled to take place in Nassau County and two sessions were scheduled to take place in Suffolk County to ensure that all members of the region had an opportunity to participate. Due to the COVID-19 pandemic, all sessions were postponed. The leadership team engaged in some initial conversation to explore alternative platforms for engaging leaders in conversations through book groups and other digital platforms (e.g. audio books, podcasts, electronic books, documentary viewing). As of March 31, 2020, there are 161 current participants in the Long Island Leadership Initiative.</p>	
<b>Activity Background/Description:</b>	
<p>The New York Early Childhood Professional Development Institute (PDI) has developed a successful model of providing a wide array of leadership and mentoring services for the NYS early childhood system. These services include coaching, study groups, professional development events, and a Director Mentoring Program. The Leadership Initiative, piloted in NYC, will be replicated in two communities, elsewhere in the state to provide similar services. The goals are to build the skills of the current early childhood directors and to engage those who may be interested in serving in the director capacity in the future. In addition, the NYS Education Department will work with PDI to develop resources and provide Technical Assistance both onsite and remotely to support early care and education leaders.</p>	
<b>Implementation Timeline:</b> July 2019 – March 2020	
<b>Additional Details:</b>	
<p>To learn more about the Leadership Mentoring Initiative at PDI  <a href="http://www.earlychildhoodny.org/leadershipinitiative/">http://www.earlychildhoodny.org/leadershipinitiative/</a></p>

**Activity Four – Sharing Best Practices**

**New York State Education Department P3 Summer Institute 2019**

**PROJECT STATUS 12/2019: COMPLETE**

**PROJECT ACCOMPLISHMENTS 12/2019:**

On July 16-17, 2019, the NYSB5 project worked closely with the NYS Education Department (NYSED) to hold their annual two-day P-3 Summer Institute at the College of St. Rose, Albany, NY. This year the Institute was titled: *Building Capacity for Prekindergarten to 3<sup>rd</sup> Grade Standards Implementation: Supporting All Students*. Over 250 participants attended representing 79 locations around NYS. Kristi Kauerz, Director of the P-3 Alliance in Denver, CO presented the keynote focusing on data and research that supports the P-3 continuum. Workshops focused on learning standards, developmentally appropriate environments and instructional strategies. Commissioner Elia presented the closing remarks. The Institute was supported by the NYSB5 project, the Center for Enhancing Learning Outcomes, CUNY and the Northeast Comprehensive Center.

**Activity Background/Description:**

During the summer of 2018, the Preschool through Third Grade (P-3) Summer Institute was convened using Preschool Development Grant funds awarded to NYSED. The institute will bring together over 200 participants from school districts and community-based organizations including teachers from prekindergarten through third grade, administrators and curriculum and instruction specialists with a focus on how to effectively support young children’s learning and development in the early grades through meaningful curriculum development and effective instructional strategies.

**Implementation Timeline:** July 2019

**Additional Details:**

The Institute was held at the College of St. Rose on July 16-17, 2019

**Cross-sector Partners:**

The NYS Council on Children and Families, NYS Education Department Office of Early Learning, NYS Head Start Collaboration Office, Early Childhood Professional Development Institute, CUNY, CEELO.

**Activity Four – Sharing Best Practices**

**Developing Career Pathways for Early Childhood Educators**

PROJECT STATUS: COMPLETE 03/2020

**NO COST EXTENSION UPDATE 03/2020: Long Island Career Development Center:** On Long Island, the Career Development Center, is working with the Child Care Council of Nassau, along with the Long Island Regional Technical Assistance Center. Three lecture series were created and scheduled for March- June 2020 to be hosted twice per event in each county-- Nassau and Suffolk. In March, the first lecture series on “resume writing” was hosted virtually. Individual advisement sessions took place between January and March 2020. There were several main themes that were consistently being reported from the client base which include: resume review, cover letter, choosing the right degree program, CPAC credential, and applying to doctoral programs. The Long Island Career Development Center has served 39 clients with career advising, creation of study plans, provision of resources, and one-on-one support. **Buffalo Career Development Center:** Gerald Smith started his position as the Career Development Coordinator in January. The local partner for this work is the Buffalo Child Care Resource Network. From January through March, he made presentations about the Career Development Center to: WNY Behavior Collaboration, School Age Child Care Providers, Family and Group Family Providers, Directors As Leaders, Child Care Resource Network Team Meeting, Implicit Bias Workshop, Protective Factors Training, QUALITYstarsNY Director’s Meeting. Additional meetings were scheduled with other stakeholder organizations in the community, including: Niagara County Department of Labor, Erie County Department of Labor, State University of New York (SUNY) at Erie Community College, Pinnacle Community Services, Seneca Babcock Child Care Center, Family Help Center Daycare, Erie 1 BOCES, SUNY Empire State College, SUNY Niagara Community College. Topics on Resume Writing, Interview Skills, and Career Pathways in Early Childhood are all parts of the lecture series. The Buffalo Career Development Center served 40 clients with career advising, creation of study plans, provision of resources, and one-on-one support. **Oneida Career Development Center:** In Oneida County, Lesley Lawrence began in February as the Career Development Coordinator, in partnership with the Cornell Cooperative Extension in Oneida County. The project met with stakeholders to share information about the Career Development Center opportunities for their clients and staff, as well as get their feedback on community and early childhood professional needs and opportunities: Meeting with QUALITYstarsNY Specialist Amy Franz, Meeting with Michelle Kelley, Head Start Director at Mohawk Community Action Agency, Employment and enrollment day at MVCAA Head Start, New York State Department of Labor, Mohawk Valley Region, Ellen Bennett, Oneida Area Daycare Center. **Albany Career Development Center:** In the Capital District, Bethany St. Dennis has been hired as the Career Development Coordinator and will launch the Center in partnership with Brightside Up, the local child care resource and referral organization.

**Activity Background/Description:**

It is widely recognized that a well prepared and highly qualified workforce is essential for the growth and development of young children. In direct response to the needs of the early childhood workforce and the needs of programs and services to serve young children, the New York Early Childhood Professional Development Institute designed and implemented a Career Center. The Career Center provides a range of services to support the workforce at all levels. Activities of the Career Center include personalized career advisement, higher education advisement, career seminars and workshops, teacher certification support, and study plan support. To address the need of early childhood care and education providers to meet this need in underserved areas of New York, the Career Center will be replicated in up to three regional Child Care Resource and Referral agencies. This activity will replicate the work of the Career Development Center at the New York Early Childhood Professional Development Institute and build upon the work of the State Education Department’s Blue Ribbon Committee recommendations for strengthening the early childhood workforce and aligns with the Governor’s Child Care Availability Task Force.

**Implementation Timeline:** June 2019 – March 2020

Activity Four – Sharing Best Practices	
<b>Strengthening Protective Factors Training of Trainers (TOT)</b>	PROJECT STATUS 12/2019: COMPLETED
<p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b>                  Prevent Child Abuse NY, in partnership with the National Alliance of Children’s Trust and Prevention Funds, with support from the NYSB5 project held a 3-day Training of Trainers on July 16-18, 2019 at SUNY Albany. The training was conducted by three master trainers from the National Alliance, the developers of the Protective Factors Framework Curriculum. 16 people were trained bringing the total number of certified protective factors trainers in NYS to 45 and a bi-monthly Protective Factors Training Learning Collaborative calls have been implemented.</p>	
<p><b>Activity Background/Description:</b>                  The Strengthening Families Protective Factors Framework includes the following five protective factors: Parental Resilience, Social Connections, Knowledge of Parenting and Child Development, Concrete Support in Times of Need, Social and Emotional Competence of Children. It is a research-informed, strength-based approach that prevents child abuse and neglect by focusing on the well-being of all families and helping families identify and build on their own protective factors.</p> <p>To build on the usefulness of the Protective Factors Framework, a Training of Trainers (TOT) “<a href="#">Bringing the Protective Factors Framework to Life in Your Work</a>” will be held with the goal of over 20 trainers becoming certified as Protective Factors Trainers. Once trained, it is anticipated that over 500 early care and learning staff, home visitors, parenting educators, and others will be trained on the Protective Factors Framework in New York State.</p>	
<p><b>Implementation Timeline:</b> July 2019 – December 2019</p>	
<p><b>Additional</b></p> <p>To locate a Certified Protective Factors Training near you click <a href="#">here</a>.</p> <p>For more information about Protective Factors Training <a href="https://ctfalliance.org/protective-factors/">https://ctfalliance.org/protective-factors/</a></p>	<p><b>Details:</b></p>

<b>Activity Four – Sharing Best Practices</b>	
<b>Professional Development Capacity Expansion</b>	<b>PROJECT STATUS: COMPLETE 03/2020</b>
<p><b>NO COST EXTENSION UPDATE 03/2020:</b> The New York Association for the Education of Young Children (NYAEYC) continues to offer the 6-part Core Body of Knowledge (CBK) training institute for trainers in three series and the four-part CBK training institute for coaches in three series. The training institutes were held in New York City, Albany, and Rochester. In addition to the Training Institutes, 44 candidates have applied for the T-TAP credential (20 for the trainer designation and 12 for the coaching designation) and their application fees will be covered by this funding. The goal for this project is to support 45 candidates in total. NYAEYC also offered a series of the three-part training on Interest-Driven Learning (IDL) for infant/toddler teachers. Unexpected work after the outbreak of COVID-19 has provided the opportunity to draft guiding policies on remote learning in “virtual classroom” settings, which will be finalized in the next quarter.</p> <p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b>                  The New York Association for the Education of Young Children (NYAEYC) offered a 6-part Core Body of Knowledge (CBK) training institute for trainers in three series and will offer the four-part CBK training institute for coaches in three series. The Training Institutes locations are New York City, Albany, and Rochester. In addition to the Training Institutes, 28 candidates have applied for the T-TAP credential (18 for the trainer designation and 10 for the coaching designation) and their application fees will be covered by this funding. The goal for this project is to support 45 candidates in total.</p> <p>NYAEYC offered two series of the three-part training on Interest-Driven Learning (IDL) for teachers (infant/toddler and Preschool) and leaders/administrators in Q1 and Q2 of the project period.</p> <p>An additional IDL series focusing on infant/toddler teachers will be offered in Spring Valley, Syracuse, and Long Island.</p>	
<p><b>Activity Background/Description:</b>                  The Early Childhood Advisory Council's Early Learning Focus Area determined that approved training protocols, strength-based coaching and series-based training are the most effective means of strengthening the early childhood workforce. Working with the New York Early Childhood Professional Development Institute, the NYSB5 team will develop a Training of Trainers for directors and early care providers focused on the Core Body of Knowledge, the newly revised Early Learning Guidelines, 2-generational approaches and building cultural and linguistic competence.</p>	
<p><b>Implementation Timeline:</b> May 2019 – March 2020</p>	
<p><b>Cross-sector Partners:</b>                  The NYS Council on Children and Families, The NY Early Childhood Professional Development Institute, NY Association for the Education of Young Children (NYAEYC).</p>

<b>Activity Four – Sharing Best Practices</b>	
<b>Pyramid Model Parents Interacting with Infants (PIWI) Trainings</b>	<b>PROJECT STATUS: COMPLETED 12/2019</b>
<p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b>                      Five PIWI trainings were conducted by Pyramid Model Master Cadre trainers to support parent educators in promoting social emotional development with parents of young children. 62 parent educators were trained in the North Country, Mid-Hudson and Western NY regions of the state.</p>	
<p><b>Activity Background/Description:</b>                      One of the goals of the NYSB5 Grant is to share best practices statewide. NYS is supporting Pyramid Model implementation as a statewide best practice. There will be 5 Parents Interacting with Infants (PIWI) Trainings funded by NYSB5. These one-day trainings will be held across the state and will be open to early childhood care and education providers, home visitors, parent educators, and others caring for young children.</p> <p>PIWI training focuses on practices for supporting infant and toddler development by expanding on and strengthening parent-child interactions and relationships. The training emphasizes parent-child interaction as both the focus and context for understanding and promoting children’s development. PIWI can support professionals who work in programs including home visiting, Early Intervention and Early Head Start to name a few. During these one-day trainings, participants will learn about, discuss and practice all components of PIWI including the philosophy, dyadic interactions and strategies, triadic strategies, and Developmental Observation Topics (DOT). Videos, strategies and resources will be shared to demonstrate PIWI in action in a variety of settings.</p>	
<p><b>Implementation Timeline:</b> Trainings held from May – December 2019</p>	
<p><b>Additional Details:</b></p> <p>To find a Pyramid Model Training near you, go to the NYS Early Childhood Advisory Council website:  <a href="http://www.nysecac.org/contact/pyramid-model">http://www.nysecac.org/contact/pyramid-model</a></p> <p>Pyramid Model Consortium: <a href="http://www.pyramidmodel.org/resource/infanttoddler-parent-modules-piwi/">http://www.pyramidmodel.org/resource/infanttoddler-parent-modules-piwi/</a></p>

**Activity Four – Sharing Best Practices**

**Pyramid Model Community-Wide Leadership Teams & Pyramid Model Hubs**

PROJECT STATUS: COMPLETE 12/2019

**PROJECT ACCOMPLISHMENTS 12/2019:**

Pyramid Model hubs were implemented by [Brightside Up](#) (Capital District), [Child Care Resource of Rockland](#) (Mid-Hudson) and the [Child Care Council, Inc.](#) (Finger Lakes). The hubs and implementing programs make up Cohort 4. The programs met monthly with their Pyramid Model Leadership Coach to coordinate program implementation, training and coaching. In Cohort 4 there are 9 center-based programs with teams of 4-8 staff, and 8 Family Child Care providers.

**Activity Background/Description:**

One of the goals of the NYSB5 Grant is to share best practices statewide. NY is supporting Pyramid Model implementation as a statewide best practice. Five Child Care Resource and Referral (CCR&R) Agencies are forming Community-Wide Leadership Teams (CWLT) to increase local coordination of services and support best practices in vulnerable communities.

The scope of work/deliverables for the three Pyramid Model Hubs includes:

- Essential members of the Community-Wide Leadership Team attend the two-day orientation in Latham, NY on “How to Be a Pyramid Model Hub.”
- Form a Community-Wide Leadership Team in Hub’s community and conduct at least 8 Community-Wide Leadership Team meetings from March – December 2019 to coordinate Pyramid Model implementation in their region as prescribed in the Community-Wide Benchmarks of Quality.
- Recruit early care and education programs to apply to participate in the Hub’s Mini-Cohort 4.
- Host a two-day Mini-Cohort Regional Kick-Off meeting for accepted programs.
- Participate in ongoing TA from the NY Pyramid Model State Leadership Team.
- Collect and analyze Pyramid Model data from the Mini-Cohort programs.

CCR&Rs forming Community-Wide Leadership Teams (Hubs are indicated with an asterisk\*):

- [Child Care Resource Network](#); Buffalo/Niagara
- Child Care Council, Inc.; Rochester\*
- Brightside Up; Menands\*- worked with the [Southern Adirondack Child Care Network](#) CCRR
- Child Care Resources of Rockland; Spring Valley\*- worked with [Family of Woodstock](#) CCRR
- [Child Care Council of Nassau, Inc.](#); Garden City – worked with the [Child Care Council of Suffolk](#) CCRR

**Implementation Timeline:** March – December 2019

**Activity Four – Sharing Best Practices**

**Pyramid Model: Positive Solutions for Families Parent Workshops**

PROJECT STATUS: COMPLETE 12/2019

**PROJECT ACCOMPLISHMENTS 12/2019:**

Series of 26 Positive Solutions for Families Parent Workshops were held by Pyramid Model Master Cadre trainers in 7 regions of the state (Capital Region, Finger Lakes, Long Island, Mid-Hudson, NYC, Southern Tier, Western NY. Over 250 parents attended and increased parent knowledge about social emotional development and were given strategies for preventing and responding to challenging behavior.

**Activity Background/Description:**

Two of the goals of the NYSB5 grant are to share best practices statewide and increase parent choice and knowledge. NYS is supporting Pyramid Model to engage families at the local level to promote healthy social and emotional child development and parent/child relationships. NYSB5 is funding 26 series of the *Positive Solutions for Families Parent Workshops* across the state. Each series is comprised of six two-hour sessions. The two-hour sessions are generally completed over a series of 6-10 weeks to fit the schedules of families.

The *Positive Solutions for Families Parent Workshops* have been developed to help parents to promote positive and effective parenting skills. Positive Solutions for Families promote children’s social and emotional development and address the challenging behavior and mental health needs of children. The series of Parent Workshops are broken up into six sessions using the Parent Workbook for Positive Solutions for Families. In-between sessions, parents will do the “homework” and practice the skills at home. These sessions are offered to parents at Pyramid Model implementing programs. Sessions and materials are being offered in both English and Spanish. Parents, guardians, grandparents, and other caregivers are invited to attend.

**Implementation Timeline:** March 2019 – November 2019.

**Additional Details:**

PROJECT STATUS: COMPLETE 12/2019

**PROJECT ACCOMPLISHMENTS 12/2019:**

The Pyramid Model Implementation Data System (PIDS) successfully launched and is being used by early childhood programs in the state that are implementing the Pyramid Model.

**Activity Background/Description:**

PIDS is an online application developed by the Center for Human Services Research at the State University of New York at Albany. CHSR programmers created a secure web application that allows data entry, reporting, and administration for all Pyramid Model implementation data tools. PIDS will be used by all early childhood programs that are implementing the Pyramid Model across NYS. The new system allows for streamlined data entry and analysis on child, classroom, program and state levels. CHSR programmers will continue to provide training and technical support.

**Implementation Timeline:** April 2019 - December 2019

**Additional Details:**

NYS Early Childhood Advisory Council Pyramid Model page: <http://www.nysecac.org/contact/pyramid-model>

**Cross-sector Partners:**

NYS Council on Children and Families, NYS Pyramid Model Master Cadre, NYS Office of Children and Family Services, NYS Office of Mental Health, NYS Department of Health, NYS Education Department, NYS United Teachers, Early Childhood Advisory Council, Early Care and Learning Council, NY Association for the Education of Young Children, Prevent Child Abuse NY, and 60 Pyramid Model Implementing programs across NYS.

<b>Activity Four – Sharing Best Practices</b>	
<b>Early Childhood New York (ECNY) Shared Services</b>	<b>PROJECT STATUS: COMPLETE 3/2020*</b>
<p><b>NO COST EXTENSION UPDATE 03/2020:</b> NYAEYC identified Opportunities Exchange as a consultant to bring together key stakeholders and identify a community to implement a shared service alliance pilot. *Due to COVID-19, the consultants could not finish their work and will be continued in the renewal years of the NYSB5 project.</p>	
<p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b>                  The NY Association for the Education of Young Children (NYAEYC) with support from the NYSB5 project upgraded the shared services platform <a href="http://www.sharesourceecny.org">www.sharesourceecny.org</a>. Since the upgrade, 89 new members requested membership and the site has increased usership by over 40%. NYAEYC conducted train the trainer sessions with a consultant (CCA Global) to familiarize CCRR staff and NYAEYC volunteer leaders to increase understanding of the benefits of shared services and prepare them to conduct regional trainings to promote use and impact of the platform. The shared services platform is a one-stop shop for child care providers. It provides small programs large buyer purchase discounts, links to HR materials, best practices etc.</p>	
<p><b>Activity Background/Description:</b>                  One of the goals of the NYSB5 grant is to share best practices. The ECNY Shared Source web-based platform allows early childhood professional to share resources including handbooks, templates, procedures and much more to support early care and education programs. This resource rich platform grew out of a collaboration between the New York State Early Childhood Advisory Council, the New York State Association for the Education of Young Children, and the Early Care and Learning Council. On the current Shared Source website, practitioners can access information and training in key areas including business practices, family engagement and health and safety requirements. Resources available are policies and procedures, guides, forms, templates, trainings and checklists that support compliance with the federal Child Care Development Block Grant. Also, buying power is provided as Shared Source created a nationwide pool of purchasers and members can enjoy savings on child care products, from cribs to office products.</p> <p>The B5 project seeks to expand the awareness about the existing <a href="http://www.sharesourceecny.org">www.sharesourceecny.org</a> Shared Source resource and expand its application beyond its current scope.</p>	
<p><b>Implementation Timeline:</b> March 2019 - March 2020</p>	
<p><b>Additional Details:</b>                  Shared Source Early Childhood NY: <a href="https://www.sharesourceecny.org/utility-pages/log-in/?redirectUrl=/">https://www.sharesourceecny.org/utility-pages/log-in/?redirectUrl=/</a></p>	
<p><b>Cross-sector Partners:</b>                  NYS Council on Children and Families, NYS Office of Children and Family Services, NY Early Childhood Advisory Council, NY Association for the Education of Young Children, Early Care and Learning Council, Child Care Resource and Referral agencies.</p>	
<p><b>Contact(s) for Additional Information:</b>                  Kristen Kerr, NYAEYC – <a href="mailto:kkerr@nysaeyc.org">kkerr@nysaeyc.org</a></p>	

**Activity Four – Sharing Best Practices**

**Early Childhood Best Practices Sharing and Distribution of Resources**

PROJECT STATUS: IMPLEMENTING

**NO COST EXTENSION UPDATE 6/2020:** The following resources have been updated and reprinted for distribution. Due to COVID-19, the resources have not yet been distributed to the early care and learning community:

- A Resource to Special Education Support Services
- Pre-K Foundations
- Braiding and Blending Guide
- The Core Body of Knowledge
- The Early Learning Guidelines
- The Early Learning Guidelines (Spanish)
- Developmentally Appropriate Practice Briefs
- NYS Resources for Families with Children Birth through Five

The NYSB5 project is also working with Hunger Solutions to update and reprint outreach and education materials for the local community to connect families to WIC resources. This work will be completed by 09/2020. The NYSB5 project also purchased resources for drop-in child care sites for essential workers and distributed them to OCFS regional offices. These included books, sensory toys, materials to support parent engagement and inclusion.

**PROJECT ACCOMPLISHMENTS 12/2019:**

The NYSB5 project disseminated bi-monthly newsletters to over 450 partners in June, August and November 2019.

The following resources have been reprinted for distribution:

- Starting Life Together: The NYS Parent Guide - 500 reproduced

**Activity Background/Description:**

In order to strengthen the existing early childhood system and ensure a broad distribution of early childhood materials, the NYSB5 team has developed a plan to widely and regularly share and distribute information about grant activities. The plan includes regular meetings of the NYSB5 Partners every other month and regular updates to the NYS Early Childhood Advisory Council. The NYS Council on Children and Families website will continue to be updated to include NYSB5 activities. In addition, each of the NYSB5 grant partners has identified network members that would benefit from receiving NYSB5 materials.

**Implementation Timeline:** February 2019 – March 2020

**Additional Details:**

If you would like copies of any of the above documents or to be added to our distribution list, please email us using the contact information below.

**Cross-sector Partners:**

NYS Council on Children and Families, Early Childhood Advisory Council and Steering Committee, ECAC work teams, NYS Education Department, NYS Department of Health Division of Family Health, NYS Department of Health Office of Health Insurance Programs, NYS Office of Mental Health, NYS Office of Temporary and Disability Assistance, NYS Office of Children and Family Services, New York Early Learning Professional Development Institute, Child Care Resource and Referral agencies, and other community-based organizations and families.

**Activity Four – Sharing Best Practices**

**New York State Blending and Braiding Guide**

PROJECT STATUS: COMPLETE 12/2019

**PROJECT ACCOMPLISHMENTS 12/2019:**

The Braiding and Blending Guide revision was completed and can be found [here](#). The guide contains detailed definitions on blending and braiding and actionable steps to develop blending and braiding fiscal models related to early childhood education programs (child care, Head Start, Early Head Start, and Prekindergarten).

**Activity Background/Description:**

To share best practices related to maximizing funding for early care and education programs, the ECAC Finance Work Group will work with NYS Education Department to update the *Blending & Braiding Funds to Support Early Childhood Education Programs: A “How To” Guide*” to include Prekindergarten and 4410 funding sources. The B5 team then will print and distribute these guides.

Initially, this Guide was written by the Sparks Policy Institute for the ECAC in October 2013 as a practical tool to support NYS early care and education providers to undertake a planning process that leads to a blended or braided fiscal model. The Guide walks organizations through several scenarios of blending and braiding as a fiscal strategy

**Implementation Timeline:** Summer 2019 – Winter 2019

**Additional Details:**

The braiding and blending tools in this Guide can be found on the Sparks Policy Institute website:  
<http://tools.sparkpolicy.com/?toolkit=toolkit-2>

**Cross-sector Partners:**

The ECAC Finance Work Group Team, NYS Education, NYS Early Learning and Council, NYS Head Start Collaboration, and NYS Office of Children and Family Services Division of Child Care.

<b>Activity Four – Sharing Best Practices</b>	
<b>Aspire Registry Expansion</b>	<b>PROJECT STATUS: COMPLETE 03/2020</b>
<p><b>NO COST EXTENSION UPDATE 03/2020:</b> Registry growth continues as follows:</p> <ul style="list-style-type: none"> <li>• 3,034 new Aspire profiles were created (1,477 outside of NYC)</li> <li>• 87 organization accounts were created (39 outside of NYC)</li> </ul> <p>The project was not able to hold recruitment events that had been scheduled for March due to COVID-19, however, surpassed recruitment and expansion targets for both individuals and organizations. From January 1, 2019, through March 30, 2020, 19,257 new profiles were created and 620 organizations activated accounts in The Aspire Registry.</p> <p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b></p> <p>The Aspire Registry has registered 457 new organization accounts and added over 8,800 new registry profiles. The Aspire Registry team provides ongoing phone and email support and technical assistance to all Registry users. A Quality Assurance Specialist was hired to develop a brochure and videos to promote the Registry. In addition, the Registry receives a live feed from the SUNY Professional Development Program that imports attendance at all OCFS-approved eLearning courses.</p>	
<p><b>Activity Background/Description:</b></p> <p>The Aspire Registry is an online workforce registry that serves as a comprehensive and centralized database for early care and education professionals in NYS. The Aspire Registry was developed by the New York Early Childhood Advisory Council and New York Professional Development Institute, with support from city and state public agencies and private philanthropy, to support early childhood professionals by compiling and verifying degrees, certificates, credentials and professional development, work history, native language, study plan status, and a range of additional career information. Aspire data is used in licensing compliance visits, QUALITYstarsNY – the state’s quality rating and improvement system for early care and learning programs, and local research. Aspire is quality assured by the National Registry Alliance and contributes data to the national data set. With expanded Aspire Registry participation, essential cross-system workforce data will be collected to inform the Preschool Development Grant B5 needs assessment and strategic plan to improve coordination and quality of the NYS mixed delivery system. It is anticipated that 2,000 more professionals will be added to the Registry with B5 grant funds.</p>	
<p><b>Implementation Timeline:</b> Spring 2019 - March 2020</p>	
<p><b>Additional Details:</b></p> <p>For more information about the Aspire Registry:  <a href="https://www.nyworksforchildren.org/">https://www.nyworksforchildren.org/</a></p>	
<p><b>Cross-sector Partners:</b></p> <p>NYS Council on Children and Families, NY Early Childhood Professional Development Institute, NYS Early Childhood Advisory Council, NYS Education Department, NYS Office of Children and Family Services, NYC Department of Health and Mental Hygiene.</p>

<b>Activity Four – Sharing Best Practices</b>	
<b>Addressing Child Care Deserts</b>	PROJECT STATUS 12/2019: COMPLETE
<p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b></p> <p>The NYSB5 project awarded funds to CCRRs in 9 Regional Economic Development Council (REDC) Regions to partner with their local REDC to increase child care access in their communities. Upon completion of this project, each of the awardees will submit a report that includes an assessment of the early care and education needs of the region, identify barriers families face in decisions around early care and education, identify the supports needed to ensure quality early care and education access for all children birth to 5 in the region.</p> <p><b>Please find the reports below:</b></p> <p>Brightside Up (<a href="#">Capital District</a>), Child Care Coordinating Council of the North Country (<a href="#">North Country</a>), Cornell Cooperative Extension of Oneida County (<a href="#">Mohawk Valley</a>), Child Care Council of Westchester (<a href="#">Mid-Hudson</a>), Child Care Council of Suffolk (<a href="#">Long Island</a>), Child Development Council of Central NY (<a href="#">Southern Tier</a>), Child Care Solutions (<a href="#">Central NY</a>), Child Care Council (<a href="#">Finger Lakes TBD</a>), Child Care Resource Network (<a href="#">Western NY</a>, <a href="#">Western NY Barriers</a>).</p>	
<p><b>Activity Background/Description:</b></p> <p>Many New Yorkers live in “child care deserts.” These are locations where families struggle to find child care for their young children. To address this lack of child care services, the NYSB5 grant will provide funding to up to 5 Child Care Resource and Referral (CCR&amp;R) agencies located in vulnerable areas of the state where there are child care deserts. The CCR&amp;Rs will be asked to recruit and provide intensive supports for individuals who intend to pursue a child care license.</p> <p>The NYSB5 grant will also explore the establishment of higher payment rates to address the higher costs of providing care in rural areas.</p>	
<p><b>Implementation Timeline:</b> July 2019 – December 2019</p>	
<p><b>Additional Details:</b></p> <p><a href="#">2018 State Child Care Facts</a> (one page fact sheet from Child Care Aware of America)</p> <p>“<a href="#">America’s Child Care Deserts in 2018</a>,” Center for American Progress</p> <p>Child Care Aware <a href="#">Mapping the Gap</a></p>	
<p><b>Cross-sector Partners:</b></p> <p>NYS Council on Children and Families, NYS Office of Children and Family Services, Early Care and Learning Council, Child Care Resource and Referral network.</p>

<b>Activity Four – Sharing Best Practices</b>	
<b>NYSB5 Technical Assistance Alignment Summit</b>	<b>PROJECT STATUS: COMPLETE 12/2019</b>
<p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b>                      In November 2019, the NYSB5 project convened an early childhood Technical Assistance Alignment Summit at the Office of Children and Family Services Human Services Training Center. 60 participants from more than 12 TA systems in NYS were in attendance. The agenda included presentations by the NYS Office of Children and Family Services, Professional Development Program at SUNY Albany, NY State Education Department, Preschool Special Education and Office of Early Learning, NYS Department of Health – Early Intervention, Early Care and Learning Council, The Aspire Registry, Head Start TA System, QUALITYstarsNY, Pyramid Model and NY Association for the Education of Young Children. Meeting materials can be found <a href="#">here</a>.</p>	
<p><b>Activity Background/Description:</b>                      Currently there are upwards of 20 TA centers for NY’s early care and education providers. While each TA center is useful, the resources that support these centers could be used more effectively, resulting in improved technical assistance and better services for children and families. Alignment will person to maximize resources, reduce redundancies, fill TA gaps and improve the effectiveness of the workforce.</p>	
<p><b>Implementation Timeline:</b> November 2019 – December 2019</p>	
<p><b>Additional Details:</b>                       Regular ongoing meetings will be offered after the Summit.</p>	
<p><b>Cross-sector Partners:</b>                      NYS Council on Children and Families, NYS Office of Mental Health, NYS Education Department, NYS Office of Children and Family Services, NY Works For Children, Head Start.</p>	
<p><b>Contact(s) for Additional Information:</b>                      Nancy Hampton, CCF – <a href="mailto:Nancy.hampton@ccf.ny.gov">Nancy.hampton@ccf.ny.gov</a></p>	

<b>Activity Five – Improving Quality</b>	
<b>QUALITYstarsNY Expansion</b>	<b>PROJECT STATUS: COMPLETE 03/2020</b>
<p><b>NO COST EXTENSION UPDATE 03/2020:</b> At the end of the extension period March 31, 2020, QUALITYstarsNY is serving 865 programs, an increase of 58 newly enrolled programs since the end of Q4 in December 2019. Of the currently participating programs, There have been 17 newly rated programs for a total of 537 actively rated. All participating programs received support throughout the rating and re-rating process from their Quality Improvement Specialist. This support is ongoing throughout the continuous quality improvement process before and after the rating is received and work continues on the activities in the program’s Quality Improvement Plan (QIP). The program leaders continue to develop their QIP and identify goals and action items that are funded by QUALITYstarsNY. Programs receive funding support for career development, professional development/training, enhancing children’s learning environments, family engagement activities, and other needed resources. In addition to measuring star levels and earned points, QUALITYstarsNY collects data on funds spent within the four key areas to analyze spending on quality improvement efforts. Recruitment is on going and the increase in enrollment from December 2019 through the end of March surpassed the estimated number with an additional 58 programs joining QUALITYstarsNY. A Quality Improvement Specialist has been hired in North Country. Recruitment efforts continues despite the current circumstances of COVID-19. Currently, 39% of participating programs have closed and 58% continue to provide services to children and families either at their facilities or remotely. Although some of the participating programs have closed to children, QUALITYstarsNY continues to actively work with 80% of all participants. Where children are not beings served, there are opportunities to support staff with professional development opportunities and program leaders with continuous quality improvement aligned with our quality standards.</p>	
<p><b>PROJECT ACCOMPLISHMENTS 12/2019:</b>                      QUALITYstarsNY has recruited 28 new programs in the following areas: Hudson Valley, Long Island, Mohawk Valley, NYC, Southern Tier and Western NY. The program goals seek to recruit at total of 100 programs. All participating programs receive support from the Quality Improvement Specialist based upon the program’s quality improvement plan. Programs also receive funding support for career development, professional development, family engagement and more. QUALITYstarsNY collects data on funds spent toward quality improvement efforts to be compiled at the end of the grant period.</p>	
<p><b>Activity Background/Description:</b></p> <p>QUALITYstarsNY is New York’s early childhood Quality Rating and Improvement System. It is a statewide initiative, created by the New York Professional Development Institute in 2010, under the guidance of the Governor’s Early Childhood Advisory Council (ECAC) and funded by the New York State Office of Children and Family Services and the New York State Education Department. QUALITYstarsNY assists early childhood programs in improving the quality of their services to achieve the best possible outcomes for children, by facilitating a continuous quality improvement process through a wide variety of supports to early childhood professionals. With NYSB5 funding, the plan is to model best practices in quality improvement and workforce development, expand the number of sites implementing QUALITYstarsNY and also to develop a more functional Quality Improvement Planning tool and other data enhancements, to enable quality improvement strategies to be better analyzed.</p>	
<p><b>Implementation Timeline:</b> May 2019 – March 2020</p>	
<p><b>Additional Details:</b></p> <p>For more information about QUALITYstarsNY:  <a href="http://qualitystarsny.org/">http://qualitystarsny.org/</a></p>	
<p><b>Cross-sector Partners:</b>                      NYS Council on Children and Families, QUALITYstarsNY, NY Early Childhood Professional Development Institute, Governor’s Early Childhood Advisory Council, State Education Department, Governor’s Child Care Task Force.</p>
