

The NYS National External Diploma Program (NEDP)

A Pathway to a NYS High School Equivalency Diploma

Do you want to earn your High School Equivalency Diploma
without going to school or taking tests?

Then the National External Diploma Program is for you!

Requirements:

- Age 18 or older and resident of NYS
- Have access to a computer and the internet (at the library or at Head Start, or at home)
- It's free for all participants 😊

NEDP is based on ten competency areas – or general areas of knowledge - that connect with your lives. You work on each with an Advisor using an online system.

You keep working away at learning and demonstrating your understanding of all the competency areas, until you have mastered the content.

There are no tests and there is no failing in NEDP!

There are 23 agencies which offer NEDP in NYS. Since NEDP is a remote, computer-based program, you don't need to live near the NEDP agency.

Please visit the NYS Education Departments HSE website to learn more about NEDP and to obtain a list of agencies offering NEDP in NYS:

You can do it!
Now is the time to earn your high school equivalency diploma!
