

**Starting elementary school is one of the most critical transitions children face.** This Summit will bring school district staff and child care providers together to plan how to make this transition as successful as possible. This half day summit will include:

- A panel discussion featuring personnel from the NYS Education Department, local school districts, parents, and child care providers.
- Break out discussions where child care providers and school district personnel will have the opportunity to discuss current transition practices, align practices between child care programs and school districts, and develop activities to use with children.
- A review of the new Education Department standards by Tina Rose-Turriglio & Sarah Hughes.

Participants will be also be provided with research and resources to support new and existing transition programs. This event is free for school district staff and parents, advance registration is required. If you have any questions regarding this event, please contact Lori Schakow at (315) 446-1220 ext. 311.

**Date:** Saturday, October 19th, 2019
