

Activity Title: Professional Development Capacity Expansion

Activity Background/Description:

The Early Childhood Advisory Council's Early Learning Focus Area Team has determined that approved training protocols, practice-based coaching and series-based training are the most effective means of strengthening the early childhood workforce. Working with the New York Early Childhood Professional Development Institute, the NYSB5 team will develop a Training of Trainers for directors and early care providers focused on the Core Body of Knowledge, 2-generational approaches and building cultural and linguistic competence.

Implementation Timeline: May 2019 – December 2019 (or until the grant period ends)
